Your rights during data management

During the data processing period, you are entitled to the following rights under the Regulation:

the right to withdraw consent

access to information on personal data and data management

right to rectification

limitation of data management

right to delete
right to protest
the right to portability.

If you wish to exercise your rights, it entails your identification and the Data Controller must communicate with you as necessary. Therefore, you will need to provide personal information for identification purposes (but identification can only be based on data that the Data Controller otherwise manages about you), and your data management complaint will be available in your data management account within the period specified in this bulletin for complaints. If you were a customer and you would like to identify yourself for complaint handling or warranty administration, please provide your order ID for identification. Using this, we can identify you as a customer.

Complaints about data management will be answered by Data Controller within 30 days at the latest.

Right to withdraw consent

You may at any time revoke the consent for data management, in which case the data provided will be deleted from our systems. Please note, however, that in the event of an unsubscribed order, the cancellation may result in failure to deliver to you. In addition, if the purchase is already completed, billing information may not be deleted from our systems based on accounting standards, and if you owe it to us, we may manage your data based on the legitimate interest in recovering the claim even if the consent is withdrawn.

Access to personal data

You are entitled to receive feedback from the Data Controller about whether your personal data is being processed and, if data management is in progress, entitled to:

have access to, and access to, managed personal data
inform the Controller about the following information:
the purposes of data management;
the categories of personal data you manage;
information about the recipients or categories of recipients with whom or with whom the Data Controller has communicated or will communicate the personal data;
the planned duration of the storage of personal data or, if this is not possible, the criteria for determining that period;
your right to request from the Data Controller to rectify, erase or limit the processing of your personal data, and to object to the processing of such personal data in the case of data management based on legitimate interest;
the right to lodge a complaint with the supervisory authority;
if the data were not collected from you, all available information about their source;
the fact that automated decision-making (if used), including profiling, and at least in these cases the logic used and understandable information about the significance of such data management and the expected consequences for you.

The purpose of exercising the right may be to establish and verify the lawfulness of the data processing, and in case of multiple information requests, the Data Controller may charge a fair compensation in return for the performance of the information.

The Data Controller shall ensure that access to personal data is provided by posting your personal data and information to you after you have identified it. If you have a registration, you will be granted access by accessing and checking your personal information when you log in to your account.

Please indicate in your application whether you are requesting access to personal data or requesting information on data management.

Right to rectify

You are entitled to rectify your inaccurate personal information about you without delay upon request by the Data Controller.

Right to restrict data management

You are entitled to limit the processing of your data upon request by one of the following:

You dispute the accuracy of personal data, in which case the limitation applies to the period that allows the Data Controller to verify the accuracy of the personal data, if the exact data can be determined immediately, there is no restriction;

data processing is illegal, but you are against deleting data for any reason (for example, because the data is important for you to enforce a legal claim), so it does not ask you to delete the data, but instead asks for a restriction on its use;

4573/5000Maximális karakterszám: 5000Right to withdraw consent

You may at any time revoke the consent for data management, in which case the data provided will be deleted from our systems. Please note, however, that in the event of an unsubscribed order, the cancellation may result in failure to deliver to you. In addition, if the purchase is already completed, billing information may not be deleted from our systems based on accounting standards, and if you owe it to us, we may manage your data based on the legitimate interest in recovering the claim even if the consent is withdrawn.

Access to personal data

You are entitled to receive feedback from the Data Controller about whether your personal data is being processed and, if data management is in progress, entitled to:

have access to, and access to, managed personal data
inform the Controller about the following information:
the purposes of data management;
the categories of personal data you manage;
information about the recipients or categories of recipients with whom or with whom the Data Controller has communicated or will communicate the personal data;
the planned duration of the storage of personal data or, if this is not possible, the criteria for determining that period;
your right to request from the Data Controller to rectify, erase or limit the processing of your personal data, and to object to the processing of such personal data in the case of data management based on legitimate interest;

the fact that automated decision-making (if used), including profiling, and at least in these cases the logic used and understandable information about the significance of such data management and the expected consequences for you.

The purpose of exercising the right may be to establish and verify the lawfulness of the data processing, and in case of multiple information requests, the Data Controller may charge a fair compensation in return for the performance of the information.

The Data Controller shall ensure that access to personal data is provided by posting your personal data and information to you after you have identified it. If you have a registration, you will be granted access by accessing and checking your personal information when you log in to your account.

Please indicate in your application whether you are requesting access to personal data or requesting information on data management.

Right to rectify

You are entitled to rectify your inaccurate personal information about you without delay upon request by the Data Controller.

Right to restrict data management

You are entitled to limit the processing of your data upon request by one of the following:

You dispute the accuracy of personal data, in which case the limitation applies to the period that allows the Data Controller to verify the accuracy of the personal data, if the exact data can be determined immediately, there is no restriction;

data processing is illegal, but you are against deleting data for any reason (for example, because the data is important for you to enforce a legal claim), so it does not ask you to delete the data, but instead asks for a restriction on its use;

the Data Controller no longer needs personal data for the specified data management, but you require them to submit, validate or defend legal claims; or

You have objected to the data management, but the Data Manager's legitimate interest may justify the data management, in which case, until it is determined whether the legitimate reasons of the Data Controller take precedence over your legitimate reasons, the data management must be limited.

Where data management is restricted, such personal data may only be processed with the consent of the data subject or with the submission, validation or protection of legal claims or the protection of the rights of another natural or legal person, or of the public interest of the Union or a Member State.

The Data Controller will inform you in advance (at least 3 business days before the restriction is lifted) of the restriction of data management.

4688/5000Maximális karakterszám: 5000For deletion - the right to forget

You are entitled to delete your personal data without undue delay by the Data Controller if one of the following reasons exists:

personal data is no longer needed for the purpose for which they were collected or otherwise handled by the Data Controller;

You withdraw your consent and there is no other legal basis for data management;

You protest against data management based on legitimate interest and there is no legitimate legitimate reason (ie legitimate interest) in data management,

personal data was unlawfully managed by the Data Controller and found to be based on the complaint

personal data must be erased in order to fulfill a legal obligation under EU or Member State law applicable to the Data Controller.

If, for any legitimate reason, the Data Controller has disclosed personal data managed by you and is obliged to delete it for any of the above reasons, it shall take reasonable steps, including technical measures, to inform the data, taking into account the available technology and implementation costs. managing other data controllers that you have requested to delete the relevant personal data links or a copy or duplicate of such personal data.

Deletion is not applicable if data management is required:

to exercise the right to freedom of expression and information;

fulfillment of an obligation under EU or national law applicable to the controller for the processing of personal data (such as data processing in the context of billing as it is required by law to preserve the account) or for the performance of a task carried out in the public interest or in the exercise of public authority conferred on the controller;

submission, validation or protection of legal claims (eg if the Data Controller has a claim against you and has not yet fulfilled it or if you are handling a consumer, data management complaint).

Right to protest

You have the right to protest at any time, for reasons related to your own situation, against the legitimate interest of your personal data. In this case, the Data Controller may not further process the personal data unless it proves that the data management is justified by compelling legitimate reasons that take precedence over your interests, rights and freedoms, or which are related to the submission, validation or protection of legal claims.

If your personal data is processed for the purpose of direct marketing, you have the right to object at any time to the processing of your personal data for this purpose, including profiling, if it is related to direct marketing. If you object to the processing of personal data for the purpose of direct marketing, then personal data may no longer be processed for this purpose.

Right to Portability

If data management is automated or if data management is based on your voluntary consent, you have the right to ask the Data Controller to receive the data you provide to the Data Controller, which the Data Controller issues in xml, JSON, or csv format. If this is technically feasible, you may request that the Data Controller forward the data in this form to another data controller.

Automated decision making

You are entitled to exclude from the scope of a decision based solely on automated data management (including profiling) that would have legal effect on you or would affect you in a similar way. In such cases, the Data Controller shall take appropriate measures to protect the rights, freedoms and legitimate interests of the data subject, including at least the right of the data subject to seek the intervention of the data controller, to express his or her position and to object to the decision.

The above does not apply if the decision is:

It is necessary for you to conclude or execute a contract between the data controller and the data controller;
EU or national law applicable to the controller, which also lays down appropriate measures for the protection of your rights and freedoms and legitimate interests; or
based on your explicit consent.

Signing in to a privacy register

About Info According to the provisions of the Act, the Data Controller had to report certain data handling to the Data Protection Register. This notification obligation expired on May 25, 2018.

3483/5000Maximális karakterszám: 5000Data security measures

The Data Controller declares that it has taken appropriate security measures to protect personal data against unauthorized access, alteration, transmission, disclosure, deletion or destruction, and unavailability due to accidental destruction or damage resulting from a change in the technique used.

Data Controller will do everything in its power to ensure that its data processors take appropriate data security measures when working with your personal data.

Remedies

If, in your opinion, the Data Controller has violated any statutory provisions on data management or has failed to comply with any of its requests, the National Data Protection and Freedom of Information Authority may initiate an investigation procedure in order to terminate the alleged unlawful data management (mailing address: 1530 Budapest, Pf .: 5., e- mail: ugyfelszolgalat@naih.hu).

In addition, we inform you that in case of violation of the legal provisions on data management or if the Data Controller has not complied with any of your requests, you may bring a civil lawsuit against the Data Controller in court.

Changing Data Management Guide

The Data Controller reserves the right to modify this Data Management Information in a manner that does not affect the purpose and legal basis of the data management. By using the website after the entry into force of the amendment, you accept the amended data management guide.

If the Data Controller wishes to perform additional data management for purposes other than the purpose for which they were collected prior to the collection of the data, it will inform you about the purpose of the data management and the following information:

the duration of the storage of personal data or, if this is not possible, the criteria for determining the duration;
the right to request from the Data Controller access to, rectification, erasure or restriction of personal data relating to you and, in the case of data management based on legitimate interest, to object to the processing of personal data and, in the case of data processing based on consent or contractual relationship, request data storage rights;
consent based data management that you can revoke your consent at any time,
the right to lodge a complaint with the supervisory authority;
whether the provision of personal data is based on a statutory or contractual obligation or a prerequisite for the conclusion of the contract, and whether you are obliged to provide personal information and what the potential consequences of the failure to provide data may be;
the fact that automated decision-making (if used), including profiling, and at least in these cases the logic used and understandable information about the significance of such data management and the expected consequences for you.

Data management can only start after this, if the legal basis for data management is consent, you must also contribute to the data management in addition to the information.

This document contains all relevant data management information regarding the operation of the webshop in accordance with the General Data Protection Regulation of the European Union 2016/679 (hereinafter: GDPR Regulation) and CXII. TV. (hereinafter referred to as "Infotv.").
